Richard J. Bortnick to Appear at NetDiligence 2018 Cyber Risk Summit

Related Attorneys:

TLSS Senior Counsel Richard J. Bortnick, Esq. will be a featured panelist at NetDiligence's upcoming 2018 Cyber Risk Summit.

The Summit will take place in Santa Monica, CA from October 1-3, 2018, and is the premier education and networking event for hundreds of cyber insurance, legal, regulatory, and technology leaders. Bortnick will join other leading cyber experts from across the globe who will discuss hot topics in cyber risk, future threats, and other cybersecurity concerns.

Bortnick is a recognized expert in cybersecurity, including the handling and management of a crisis management response and insurance-related activities following a Business Email Compromise. He has presented on the topic to audiences throughout the United States and in London, and serves as a consulting expert for legal counsel, insurers and clients alike. He also frequently collaborates with government regulators and financial institutions following BEC incidents in an effort to identify perpetrators and avert the wrongful transfer of funds.

To learn more about the conference, visit NetDiligence's 2018 Cyber Risk Summit website.
