Appellate Practice

Traub Lieberman attorneys represent clients on a broad range of complex appellate matters in both federal and state courts. In fact, our appellate attorneys are frequently called upon to provide guidance and counsel prior to judgment. Having an experienced appellate attorney on your legal team provides an invaluable resource, especially in lengthy and contentious matters.

Traub Lieberman appellate attorneys provide superior representation. Our attorneys appreciate the fact that by the time a case reaches the appellate stage, often millions of dollars may be at stake. Traub Lieberman attorneys understand that compounding legal expenses will not serve the client's interest and, as such, each of our attorneys works diligently to achieve the desired legal outcome while keeping legal expenses to an absolute minimum.
