TRAUB LIEBERMAN

SERVICES

Trucking & Transportation

At any given moment, transportation companies manage fleets of vehicles which present formidable risks. Regulatory, environmental, technological and insurance concerns intersect. Traub Lieberman is there with a knowledgeable proactive team, dedicated to the unique needs of the industry.

Our attorneys are on call to provide representation involving moving and storage, cargo, security, damage in transit, and catastrophic liability claims. Traub Lieberman attorneys coordinate accident investigation, and coordinate an array of experts. Our experience enables us to provide effective, cost efficient and quality legal services around the clock.
