Ten Traub Lieberman attorneys have been named 2019 *Super Lawyers* and seven named 2019 *Rising Stars*. The honored attorneys represent five of the firm's seven offices and nearly all of its service areas.

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas, who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area.

The *Rising Star* list is the result of an exhaustive, multi-phase selection process that mirrors the patented methodology used to assemble the *Super Lawyers* list. Attorneys designated as *Rising Stars* are up-and-coming attorneys who are 40 years of age or younger and have practiced law for 10 years or less.

"We are very proud of all of our attorneys who have earned these distinctions and for being recognized as among the top and up-and-coming lawyers," said Partner and Vice-Chair Lisa Shrewsberry.
