Traub Lieberman Straus & Shrewsberry LLP partner Brandt W. Allen co-authored an article entitled “Safeguarding Your Coverage Positions: How to Communicate with the Insured and When to Use Special Interrogatories,” which has been published in the June 2018 edition of *CLM Magazine*. The article addresses the preservation of coverage defenses and the potential use of special interrogatories to address allocation of damages in the underlying litigation between covered and non-covered claims. This magazine is released by the Claims and Litigation Management Alliance (CLM).

The CLM is the largest professional association in the insurance industry and the only organization created to meet the needs of professionals in the claims and litigation management industries. The CLM currently has more than 35,000 Members and Fellows. That number grows by hundreds each week. [Click here to download a PDF of the article.](#)
